

Post History

CONTINUED

Wall-Rives serves the community of Dunnellon in many ways. They participate in joint memorial services on Veterans Day and provide an honor guard for grand openings and parades. When requested, they perform a dignified service for a deceased veteran. The hall is made available, without charge, for the use of Wahoo-Sertoma for their Annual Thanksgiving dinner and the Young Marines meet there on Tuesday evenings. Bingo is a fund raiser for the post and at 6:00 p.m. every Thursday night Bingo is the name of the game. The premises are also made available for the Annual Kiwanis Health Fair. We also co-sponsor the Dunnellon Little League Pancake Breakfast.

Every year a Law and Order program is sponsored by the post to honor the Policeman and Firemen. The Four Chaplains who were lost in the sinking of the Dorchester are honored in a ceremony. Other programs are the Oratorical Contest, a Spelling Bee, School Awards and Boy's State.

During the past few years, a few of our members have risen to higher positions in the Department of Florida. Robert A. Hicks and L.O. "Jim" Corbin served as District IV Commanders. Jake Steiner and Robert C. Schmidt were District IV Commanders and Northern Area Commanders.

Our history is full of accomplishments, and our future awaits the challenge.
